Briefly Told Lives C. Bard Cole

In *Briefly Told Lives*, C. Bard Cole presents a wild panorama that sweeps from the urban gay ghetto to working class suburbia to the counter culture of punks and sex workers, a shockingly original view of lives lived on the edge of both straight society and the gay 'mainstream'. A broad tapestry in which conventional dividing lines begin to lose their fixed meaning, these characters spin their own master narratives, revealing lives rich in meaning and bought dearly through pain and compromise.

Intense and rewarding, Cole's debut collection exposes the complexities and contradictions of personal identity in a world devoid of grand truths and shared values. *Briefly Told Lives* is brash and insightful, bringing a very different, hidden world into the literary limelight.
