Death in the Andes

Mario Vargas Llosa

Death in the Andes Mario Vargas Llosa

Set in an isolated, rundown community in the Peruvian Andes, Vargas Llosa's novel tells the story of a series of mysterious disappearances involving the Shining Path guerrillas and a local couple performing cannibalistic sacrifices with strange similarities to the Dionysian rituals of ancient Greece. Part detective novel and part political allegory, it offers a panoramic view of Peruvian society; not only of the current political violence and social upheaval, but also of the country's past and its connection to Indian culture and pre-Hispanic mysticism.
