La gran búsqueda: Una historia del pensamiento económico (Spanish Edition) Sylvia Nasar

La fascinante historia de la creación de la economía moderna

En un relato revolucionario y conmovedor la autora de *Una mente maravillosa* recorre los dos últimos siglos junto a los protagonistas que han cambiado el modo de vida de todos los habitantes del planeta.

Nasar construye una biografía coral del pensamiento económico contemporáneo, una historia épica de la creación de la economía moderna, y de cómo esta salvó a parte de la humanidad de la miseria y el hambre al devolverle el control de su destino material en vez de dejarlo en manos del azar.

Por su relato desfilan Marx y Engels, el gran John Maynard Keynes, Schumpeter, Hayek, Joan Robinson, los influyentes estadounidenses Paul Samuelson y Milton Friedman, o el premio Nobel indio Amartya Sen. Nasar demuestra cómo las ideas de estos pensadores y activistas transformaron el mundo, del Londres de mediados del siglo XIX, la ciudad más rica y deslumbrante del mundo, a los países desarrollados de Europa y América, y después al resto del planeta.

En la apasionante historia de estos pioneros presenciamos la respuesta de hombres y mujeres a crisis personales, guerras mundiales, revoluciones y desastres económicos, y el modo en que lograron convertir una ciencia maldita en una victoria sobre el secular destino humano de pobreza y muerte prematura.
