Los dominios del lobo (Spanish Edition)

Javier Marías

Los dominios del lobo (Spanish Edition) Javier Marías

Empezada a los diecisiete y terminada a los dieciocho años, *Los dominios del lobo* fue la primera novela de Javier Marías, una obra transgresora e insólita.

La acción transcurre en los Estados Unidos, los personajes son americanos, y esa América retratada es una divertida parodia y un serio homenaje al cine de los años dorados de Hollywood. El jovencísimo Marías demostró una notable madurez narrativa, una aguda ironía y una diabólica capacidad de fabulación.

A partir de la aparatosa desintegración de la familia Taeger en 1922, se suceden en catarata las trepidantes aventuras, abarcando casi todos los géneros: desde la novela negra hasta el melodrama, desde el relato de pasiones rurales hasta la Guerra de Secesión, desde la intriga policiaca hasta las luchas de gánsters o el exotismo sureño, teñido de su inclemencia tradicional.

No es exagerado afirmar que esta novela, «excelente y cruel pastiche» según Juan Benet, con su estructura atrevida, su desparpajo inventivo, su intencionado uso del tópico y su agilísima técnica que no elude la truculencia, se adelantó a su tiempo y fue precursora de la más vivaz literatura actual.

Reseñas:

«Javier Marías es, en mi opinión, uno de los mejores escritores europeos contemporáneos.»

J M Coetzee

«De lejos es el mejor prosista español actual.»

Roberto Bolaño

«Javier Marías es uno de los más grandes escritores vivos.»

Claudio Magris
