Sex. **Purity.** Virginity. **Love.**

Moral Revolution seeks to inspire a culture of love, honor and respect with people who walk in purity, passion and power. This intimate and honest book addresses the root causes of purity issues rather than merely communicating to the masses to "abstain from having sex." It will call you to a higher standard of living, imparting value for your heart and encouraging you to walk in all God has created you to be. Many who have given in to the power of peer pressure and the lure of distorted cultural values will find hope and courage to start over again.

Moral Revolution is written for radical and passionate people who dream of being catalysts to a different kind of sexual revolution--one that transforms the way the world views sexuality, defines the unborn and embraces the family. Join the Moral Revolution!
