Ian Gilbert with Mark Anderson, Lisa Jane Ashes, Phil Beadle, Jackie Beere, David Cameron (The Real David Cameron), Paul Clarke, Tait Coles, Mark Creasy, Mark Finnis, Ian Gilbert, Dave Harris, Crista Hazell, Martin Illingworth, Nina Jackson, Rachel Jones, Gill Kelly, Debra Kidd, Jonathan Lear, Trisha Lee, Roy Leighton, Matthew McFall, Sarah Pavey, Simon Pridham, Jim Roberson, Hywel Roberts, Martin Robinson, Bethan Stracy-Burbridge, Dave Whitaker and Phil Wood. We are living at a time when loud voices from inside and outside the profession are telling teachers and school leaders ‘this’ is the way education should be done. This is how you should lead a school. This is how you should manage a class. This is how children should learn. This is what you should do to make children behave. These messages are given as if there is only one way to achieve these things - their way. However, with decades of experience working in all types of school around the globe, the many Associates of Independent Thinking know there is always another way. This book is for educators everywhere who are hearing these loud voices yet who know there must be another way. Full of examples to prove this is the case and inspirations to try new things, *There is Another Way* is a call to action to swim against the tide and reclaim the heart of education. Nearly 10 years after the publication of the first *Big Book of Independent Thinking*, Ian Gilbert and the Associates combine their collective wisdom and experience to take a fresh look at the present and future of education and invite the reader to think, deeply, on what really matters and to reflect on their practice accordingly. Regardless of the specialism or background you are from, there is something for everyone in this diverse and insightful anthology. Covering a myriad of issues facing educators today - issues including motivation, behaviour, understanding educational research, values, school improvement, work-life balance, politics, conditions for learning, the importance of libraries, assessment and examination, thinking for yourself, seeing students as more than data, engaging learning with awe and wonder and storytelling, coping with complexity, aspirations, technology and digital learning, values led leadership, speaking out, educational imperatives, emotional health, teaching and learning, education and inequality, restorative practice, coaching, continuing professional development, challenging curricula, art therapy and learning and feeling - the book shows how there is another way.
