Beaufort Ron Leshem

By turns subversive and darkly comic, brutal and tender, Ron Leshem's debut novel is an international literary sensation, winner of Israel's top award for literature and the basis for a prizewinning film. Charged with brilliance and daring, hypnotic in its intensity, **Beaufort** is at once a searing coming-of-age story and a novel for our times—one of the most powerful, visceral portraits of the horror, camaraderie, and absurdity of war in modern fiction.

Beaufort. To the handful of Israeli soldiers occupying the ancient crusader fortress, it is a little slice of hell—a forbidding, fear-soaked enclave perched atop two acres of land in southern Lebanon, surrounded by an enemy they cannot see. And to the thirteen young men in his command, Twenty-one-year-old Lieutenant Liraz “Erez” Liberti is a taskmaster, confessor, and the only hope in the face of attacks that come out of nowhere and missions seemingly designed to get them all killed.

All around them, tension crackles in the air. Long stretches of boredom and black humor are punctuated by flashes of terror. And the threat of death is constant. But in their stony haven, Erez and his soldiers have created their own little world, their own rules, their own language. And here Erez listens to his men build castles out of words, telling stories, telling lies, talking incessantly of women, sex, and dead comrades. Until, in the final days of the occupation, Erez and his squad of fed-up, pissed-off, frightened young soldiers are given one last order: a mission that will shatter all remaining illusions—and stand as a testament to the universal, gut-wrenching futility of war.

The basis for the Academy Award-nominated film of the same name.

From the Hardcover edition.

Anita Burns:

As a pupil exactly feel bored in order to reading. If their teacher inquired them to go to the library or to make summary for some book, they are complained. Just very little students that has reading's heart or real their passion. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that reading is not important, boring and can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Beaufort can make you feel more interested to read.
