** This book has been amalgamated into a full length stand alone novel, and this shorter version will be removed from publication shortly. Whether you're partway through the series or new to the adventures of Josie and Archer, please go to www.amazon.com/dp/B01DONPMMA for *Hollywood Secrets*. The full length novel includes all four previous books (and it's currently discounted, too!). **

What happens when the villain falls in love with the hero?

Josie has just started a new job with gorgeous, billionaire Hollywood producer Archer Williams. There's an immediate spark of connection – and that's a problem.

Because Josie has a secret. She's being blackmailed into betraying her boss, and by the time the real job is over, he'll never want to see her again.

***Hollywood Hills* is a short, steamy romance. It contains *smoking hot* action between a Personal Assistant and a sexy Billionaire Hollywood Director. It includes raunchy scenes which are for adults only!**

It is book one in a four part series. It is a self-contained story, but is part of a larger storyline (so contains a minor cliffhanger). *Read the series if you like intelligent romance, extravagant gestures of love, references to 1950s musicals, and the sexy bits left in!*
