Leonardo Altieri

Interventi per i giovani: 2 (Best Practices) (Italian Edition) Leonardo Altieri

Attenzione ai bisogni di relazionalità e comunicazione, da un lato, e atteggiamento teso alla negoziazione, dall'altro, sono due prerequisiti alla base degli interventi rivolti ai giovani. Due ricerche affrontano questi temi, così come emergono in famiglia, a scuola, nelle amicizie, nelle aggregazioni. Si tratta poi di progettare gli interventi cercando e riconoscendo gli interlocutori sociali, negoziando con loro le scelte, in una logica di riconoscimento e responsabilizzazione reciproca fra istituzioni e gruppi giovanili. Quindi seguono i testi centrali, derivanti da attività di consulenza, ricerca, progettazione e valutazione di politiche giovanili di enti locali, che trattano di osservatori sulla condizione giovanile, di centri di ascolto per adolescenti, di spazi giovani nei consultori familiari, di centri InformaGiovani e di laboratori teatrali, musicali, audiovisivi.

Leonardo Altieri, professore associato presso il Dipartimento di Sociologia dell'Università di Bologna, insegna Sociologia, Metodologia della Ricerca Sociale, Valutazione dei Servizi Sociali. Ha condotto numerose ricerche sulla condizione giovanile. È stato consulente di "piani giovani" di città dell'Emilia-Romagna.
