Zacharius Topelius's Lasning for barn or Reading for Children series appeared on book shelves from 1856-1896. His works are now considered treasure trove of historical significance, and their emphasis on nature, the simplicity of daily life, spirituality, and morality teaches lessons that are just as relevant and important for readers today. Judith Gustafson has painstakingly translated these classic stories into English, making them available for worldwide enjoyment. Her goal was to present them as authentically as possible, bringing out the meaning, tone, and scriptural message that Topelius originally intended. Reading for Children is the perfect collection of stories to be read to or by children.
