The Evolution of Complex Hunter-Gatherers: Archaeological Evidence from the North Pacific (Interdisciplinary Contributions to Archaeology) Ben Fitzhugh

This book makes a contribution to the developing field of complex hunter-gatherer studies with an archaeological analysis of the development of one such group. It examines the evolution of complex hunter-gatherers on the North Pacific coast of Alaska. It is one of the first books available to examine in depth the social evolution of a specific complex hunter-gatherer tradition on the North Pacific Rim and will be of interest to professional archaeologists, anthropologists, and students of archaeology and anthropology.
