**Tutti pazzi per Pogba (Ultra sport) (Italian Edition)** Stefano Discreti, Alvisè Cagnazzo

È possibile che sulle spalle di un calciatore di 22 anni ci sia già un duplice contenzioso internazionale (scatenato dal suo trasferimento al Manchester United quando di anni ne aveva sedici), un'asta furiosa fra sei superpotenze del calcio europeo per accaparrarsi il suo cartellino, oltre centoventi presenze (e una ventina di fantastici gol) in poco più di due stagioni nella Juventus dominatrice del campionato italiano, un titolo iridato Under 20 con la Nazionale francese e l'elezione per giudizio unanime a miglior giovane calciatore del Mondiale brasiliano del 2014? La risposta è sì, se le spalle in questione sono quelle possenti di Paul Pogba, il diamante nero della Juve. Un concentrato purissimo di classe, tecnica e fantasia incastonato in un fisico straripante, il miglior talento del nostro campionato che negli ultimi anni abbiamo avuto la fortuna di ammirare. Quando Mino Raiola, il suo potentissimo procuratore, ha fissato il prossimo valore sul mercato del suo assistito a duecento milioni di euro, ha sicuramente capitalizzato le attenzioni ogni giorno più pressanti delle grandi squadre, ma è probabile che la sua valutazione non sia andata troppo lontana dalla futura realtà.

Stefano Discreti e Alvisè Cagnazzo, firme autorevolissime dell'universo bianconero, raccontano per la prima volta la breve e intensissima storia di Paul, il giovane miracoloso che è anche un ragazzo straordinariamente intelligente e simpatico, consapevole di essere un predestinato ma non per questo arrogante o presuntuoso come altre giovani star del pallone. Un principe felice e gentile, che presto sarà re.
