When Naomi convinces her 95-year-old great-grandmother that it's not too late to become a Bat Mitzvah, all the cousins pitch in to help Bubbe celebrate her big day. While usually it's the grandmother that teaches the child, in this story the tables are turned and Naomi realizes that she has something very special to teach her great-grandmother.

This is a fixed-format ebook, which preserves the design and layout of the original print book.
