**Jerusalem Poker (The Jerusalem Quartet Book 2)** Edward Whittmore

**The second book of the Jerusalem Quartet, in which the fate of the Holy City is determined by an epic poker game played in the back of a Jerusalem antiques shop**

On New Year's Eve, 1921, three men sit down to a poker game. The Great Jerusalem Poker Game, as it's eventually known, continues for the next twelve years—the players unwilling to leave a competition whose prize is control of Jerusalem. The players are as exotic as the game: Cairo Martyr, a one-time African slave, now the Middle East's chief supplier of aphrodisiac mummy dust; Joe O'Sullivan Beare, an Irish tradesman with a specialty in sacred phallic amulets; and Munk Szondi, an Austro-Hungarian Imperial Army colonel turned dedicated Zionist.

But before the final hand is played to determine the destiny of the Holy City, a dangerous new player enters the picture: Nubar Wallenstein, an Albanian alchemist determined to achieve immortality, and heir to the world's largest oil syndicate. He finances a vast network of spies dedicated to destroying the players, and his aim is to win complete power over Jerusalem.

*Jerusalem Poker* is the second volume of the Jerusalem Quartet, which begins with *Sinai Tapestry* and continues with *Nile Shadows* and *Jericho Mosaic*.
