Literacy Across The Curriculum Pocketbook Caroline Bentley-Davies

The latest teaching standards demand that all teachers 'take responsibility for promoting high standards of literacy and correct use of standard English, whatever the teacher's specialism'. That's no bad thing, but it leaves some of us feeling under-trained and over-exposed. Enter the Literacy Across the Curriculum Pocketbook. The book is based on four principles: literacy is important for all learning; we owe it to our pupils to help them develop their literacy; developing strategies for LAC enhances teaching and learning across the school; teachers do not have to be literacy experts to promote LAC. In a series of punchy chapters, (Speaking for Success, Write Better! Vamp up your Vocabulary, Splendid Spelling, Raring to Read) Caroline Bentley-Davies presents practical ideas and simple strategies for incorporating literacy skills into your own lessons. All this plus some really helpful advice on note-making and a self-audit LAC checklist. "Literacy Across the Curriculum Pocketbook is a necessity for all teachers wanting to find manageable, effective and exciting ways of promoting literacy in their lessons. A great resource!" Justin Wakefield, Literacy & Numeracy Co-ordinator, Humberston Academy, Grimsby "Innovating tips, strategies and ideas to revitalise literacy in your lessons instantly. Every page offers simple and realistic approaches to promoting literacy across all subjects. Vamp up your vocab; make tricky spelling stick; weave literacy seamlessly into your lessons. I love it!" Lesley Ann McDermott, History Teacher, St Patrick's Catholic College, Thornaby-on-Tees "Contains everything you should know about Literacy and more. Written in a clear and concise manner, even as an experienced English teacher it still taught me a trick or two!" Sarah Martin, CPD Leader, Academies Enterprise Trust
