Zephyr Addler has a problem. Her boyfriend, Timber, is now her ex, because she was keeping secrets from him. But what else can she do? After all, it's not that easy being an elf in the middle of Brooklyn—especially when she's not allowed to use magic to hide her family's quirky elven ways. To make matters worse, Bella, the meanest girl in school and Zephyr's archrival, has vowed to make Zephyr's life a living nightmare. Can Zephyr keep it together long enough to win Timber back, or will she give in to temptation and work some forbidden elven magic in the school halls?
