## **Un paraguas (Nuevos Tiempos) (Spanish Edition) Will Self**

El heterodoxo psiquiatra Zack Busner llega en 1971 al Friern Hospital, un gigantesco manicomio victoriano situado en el norte de Londres, en medio de una tormenta profesional y matrimonial. Pretende evitar las polémicas, pero allí conoce a Audrey Dearth, una mujer de clase trabajadora que lleva decenios encerrada en Friern en estado de coma profundo, y decide intentar despertarla a la vida con un revolucionario tratamiento. Los recuerdos que conserva Audrey de un Londres anterior a 1918, el año en que cayó enferma, de sus amantes, su participación en tempranos movimientos socialistas y feministas y, en especial, su trabajo en un taller de paraguas, se alternan con los intentos de Busner por tratar su enfermedad y llevar la luz a su mundo entre tinieblas. Ya retirado, en 2010, el doctor Busner recorre el norte de Londres en busca de las claves de aquel tumultuoso verano en el que logró despertar a sus pacientes afectados de postencefalitis con una nueva y poderosa droga. Un paraguas es un tour de force de uno de los escritores británicos contemporáneos más aplaudidos. Una obra rica, escrita con una destreza y un oficio asombrosos, y salpicada con el ingenio, el humor negro y la idiosincrasia estilística que caracterizan a Self.
