Beyond Technical Analysis: How to Develop and Implement a Winning Trading System (Wiley Trading) Tushar S. Chande

A technical analysis classic, newly updated to help traders develop and forward-test a high-performance trading system for today's markets

In trading, a winning system is everything. While it is theoretically possible to buy a "canned" trading system, most experts agree that the best system is proprietary to each trader--developed, implemented, and tested by the individual to suit his or her exact requirements. A stimulating mix of cutting-edge techniques, timeless principles, and practical guidelines, this updated edition of a technical analysis classic offers traders a comprehensive methodology to develop and implement your own trading system, bridging the gap between analysis and execution.
