## **La Nueva Paternidad (Nueve Lunas / Nine Moons) (Spanish Edition)** Luciano Rabasedas

Estamos asistiendo a un cambio. Lento, gradual, progresivo. Resistido por algunas personas y bienvenido por muchas otras. Como todo cambio. Como toda modificación.

Es el pasaje de la paternidad tradicional a otra que podríamos denominar “nueva” o “moderna”. Es la metamorfosis de un padre observador de la familia a otro que es participante pleno de la misma. Es la conversión de un arquetipo tradicional de padre caracterizado por la distancia en otro más próximo a sus hijos en todo sentido. Es la transformación de una paternidad que ocupa un papel secundario frente a la maternidad hacia otra que tiende a igualar ambos aspectos.

En suma: estamos viendo padres más involucrados en la crianza y el cuidado de sus hijos y, lo que es mejor, que no dudan en mostrarlo ni manifestarlo.

*La nueva paternidad* es una obra indispensable para todos aquellos padres que entienden que el amor y los cuidados tempranos dejaron de ser exclusividad de las mujeres y que sin temor a perder su virilidad, desean participar desde el comienzo en la crianza de los hijos.
