Tamerlane and the Jews

Michael Shterenshis

Tamerlane and the Jews Michael Shterenshis

This book provides a general introduction to the history of Jewish life in 14th century Asia at the time of the conqueror Tamerlane (Timur). The author defines who are the Central Asian Jews, and describes the attitudes towards the Jews, and the historical consequences of this relationship with Tamerlane. Left alone to live within a stable empire, the Jews prospered under Tamerlane. In founding an empire, Tamerlane had delivered Central Asia from the last Mongols, and brought the nations of Transoxonia within the orbit of Persian civilisation. The Central Asian Jews accepted this spirit and preserved it until modern times in their language and culture.
