The Saragossa Manuscript Unknown

This is an extraordinary collection of tales that is sure to appeal to all readers of the weird and supernatural. Written in French by a Polish nobleman and first published, almost secretly, in St. Petersburg in 1804. During the wars in Spain, an officer of the Walloon Guards finds, in a deserted castle in Saragossa, a manuscript of such absorbing interest that he carries it with him on his campaign. Taken prisoner by the Spaniards, he falls into the hands of a Spanish officer who claims that the manuscript belonged to his family. The Spaniard proceeds to dictate to his prisoner, now an honored guest in the officer's house, the remaining stories in this collection.
