(Paranormal Cowboy Romance, HEA)

Jake McKade is a man who needs control. The death of his parents made him understand that everyone he loves will be taken from him. Loving a woman would be no different. The accident that put him in the hospital made him give up on life. Until he met Claire.

~

Claire Hamilton can feel the emotions of others. She can't survive the pain in her head from her empathic ability. Taking care of Jake allows her to see into his soul, which tells her three things. He's her shield from the pain of the world. He's a good man whose need to dominate doesn't frighten her. He's her mate, and she wants him just the way he is.

~

He calls her his angel. He knows she's his mate. Others plan to destroy their love. Their happiness depends on Jake finding the courage and the strength to accept the love of his angel and the babies she will gift him with.

Note: It is suggested that the previous titles in the series be read first for continuity.
