*Professional Piano Teaching* offers a practical guide to the art of piano teaching. Volume 1, now available as an updated second edition, is an excellent introduction to the profession of teaching piano. This revised second edition has been expanded to include chapters on teaching adult students and teaching popular, sacred, and other familiar music. Designed to serve as a basic text for a first-semester or lower-division piano pedagogy course, it provides an overview of learning principles and a thorough approach to essential aspects of teaching elementary-level students. Special features include discussions on how to teach, not just what to teach; numerous musical examples; chapter summaries; and suggested projects for new and experienced teachers.
