Raise Her Up Gavin McDonald

I am not an author. I'm simply a father. A father that's learned a ton of wisdom from his own father and his Godly father, and desires to pass them onto a little girl that stole his heart within seconds of her arrival.

The bible says that if we raise our children in the ways of the Lord, that when they are older, they will not leave it. I may be the best at teaching her how to walk. I may succeed at helping her with algebra, and provide her with excellent financial advice. I may make it to every recital, concert, and play. But all of this is useless if I don't instill in her heart the only thing that really matters: the love of God.

If I fail at everything I attempt for the rest of my life, as long as I raise her up in God, then I've accomplished the only task he requires of me. A Godly father is the only father to be, and I present the same challenge to every father out there.
