Opposites attract in this seductive novel from the author of *Against the Cage* (“Funny, steamy, scorching.”—Toni Aleo), with a chiseled MMA fighter falling for a single mom who could use a real man in her corner.

Working two jobs to support her infant daughter is harder than anything Penny Richards has ever done, but it sure beats living under the rules of her stepfather, a television preacher who demands a picture-perfect family. And if Penny hadn't struck out on her own, she never would have met Travis Calhoun. The intensely physical heavyweight brawler has a way of drawing out her wild side. But Travis lives fast, with no responsibilities—and that just isn't for Penny.

Most of the women in Travis's circle wear tight clothes, high heels, and tons of makeup—not pearls or plaid headbands. But once he works past Penny's inhibitions, Travis discovers a kindred spirit who longs to trust someone with her body, and her secrets. Still, Travis can't help but wonder if this rich girl is just slumming it before she returns to her privileged life. Now it's up to Penny to prove that she wants her hard-edged, hard-loving fighter just the way he is.
