The Way Through the Woods (Inspector Morse Book 10) Colin Dexter

"Cunning...Your imagination will be frenetically flapping its wings until the very last chapter."

THE WASHINGTON POST BOOK WORLD

Morse is enjoying a rare if unsatisfying holiday in Dorset when the first letter appears in THE TIMES. A year before, a stunning Swedish student disappeared from Oxfordshire, leaving behind a rucksack with her identification. As the lady was dishy, young, and traveling alone, the Thames Valley Police suspected foul play. But without a body, and with precious few clues, the investigation ground to a halt. Now it seems that someone who can hold back no longer is composing clue-laden poetry that begins an enthusiastic correspondence among England's news-reading public. Not one to be left behind, Morse writes a letter of his own--and follows a twisting path through the Wytham Woods that leads to a most shocking murder.

From the Paperback edition.
