When Devin and Frankie get stuck in a swashbuckling novel, can they defeat the evil pirates and find the treasure before they're stuck on an island forever?

Once again, best friends Devin and Frankie have neglected to do their English assignment. This week, the class is reading *Treasure Island*, and the two friends promise their teacher that they'll be ready to give their book reports the next day. Of course, this can only mean one thing: it's time for a trip to the library, where the magic security gates have the power to catapult Devin and Frankie into the pages of a book! When they land inside *Treasure Island*, the two friends are in for a surprise. It turns out a pirate has died and left them with his map to hidden treasure!

Alongside memorable characters like Long John Silver and the brave young Jim Hawkins, Devin and Frankie are on a mission to locate the mysterious lost treasure of the dreaded pirate, Captain Flint. But Frankie and Devin's friends aren't the only people on the hunt. A nasty band of pirates is after the treasure too, and they will stop at nothing to get their hands on the gold!
