Church Government: A Zondervan Digital Short Wayne A. Grudem

Derived from Wayne Grudem's perennial bestseller, *Systematic Theology*, this digital short presents a detailed overview of the Bible's teaching on church government and the choosing of church officers, along with a summary of the options currently available. While acknowledging that church government is not a core doctrine on par with the doctrines of salvation or the person and work of Jesus, Grudem maintains that the organization of the church, as Christ's body on earth, is important. Informative and fair-minded, *Church Government* is a useful resource for pastors and church lay leaders as well as anyone wanting to better understand this foundational matter of Christian praxis.
