## **Dictionary of Satanism** Wade Baskin

A handy, comprehensive guide to a wide range of topics relating to the awesome power and cult of Satan, in myriad forms and under many different names, from ancient times to the present. Distilled from hundreds of reliable sources, both religious and secular, the entries include men and movements, orders and objects, rites, rituals, incantations, events, legends, and occult practices that have fascinated the mind of man through the ages. It also contains entries relating to a host of unorthodox beliefs and irrational acts, such as the murder of Sharon Tate, which have only recently come to light. The simple manner in which even the most abstruse topics are handled is certain to open the mysterious world of darkness to readers with no prior knowledge of the occult and to intrigue and inform those who seek to extend their knowledge of the subject.
