Most adults feel uncomfortable in the teen subculture. From this uneasy position, adults like to 'handle' the teens like children because they are threatening. The purpose of *Timeless Youth Ministry* is to help people in the church and Christian youth organizations minister to teenagers. As former youth pastors and current professors of youth ministry, the authors have 'been there, done that' in this field. They've run programs, camps, and ministry trips in such diverse places as southern California, east Tennessee, northeast Ohio and Alberta, Canada, to name a few. This book is a needed resource to examine afresh what it means to be an adolescent in today's culture and how those who minister to young people can best reach them.
