Tourism and Borders: Contemporary Issues, Policies and International Research (New Directions in Tourism Analysis)

Tourism and Borders: Contemporary Issues, Policies and International Research (New Directions in Tourism Analysis)

Although globalization has led to increased cross-border traffic, there has been little examination of how crossing political boundaries affects tourism and vice versa. Bringing together case studies from Europe, the USA and Southern Africa, this volume discusses current issues and policies, destination management and communication, and planning in cross-border areas. Topics studied include borders as tourist attractions and destinations in their own right, as barriers to travel and the growth of tourism, boundaries as links of transit and the growth of supranationalism. The book concludes that the role of borders has changed dramatically in recent years. Many more borders that have traditionally hosted large-scale tourism are becoming more difficult to cross, primarily because of safety and immigration concerns. On the other hand, places that were once forbidden to foreigners are now opening up and new destinations are becoming more commonplace.

From reader reviews:

John Reed:

In this 21st one hundred year, people become competitive in every single way. By being competitive currently, people have to do something to make all of them survive, being in the middle of often the crowded place and notice by means of surrounding. One thing that at times many people have underestimated the item for a while is reading. Yeah, by reading a book your ability to survive rises then having a chance to stay than other is high. To suit your needs who want to start reading some sort of book, we give you this *Tourism and Borders: Contemporary Issues, Policies and International Research (New Directions in Tourism Analysis)* book as basic and daily reading e-book. Why, because this book is more than just a book.

Jeffery Whitley:

As people who live in the modern era should be up-to-date about what is going on or information even knowledge to make all of them keep up with the era that is certainly always changing and moving forward. Some of you maybe will probably update themselves by reading books. It is a good choice in your case but the problems coming to anyone is you don't know what type you should start with. This *Tourism and Borders: Contemporary Issues, Policies and International Research (New Directions in Tourism Analysis)* is our recommendation to make you keep up with the world. Why, because a book serves what you want and need in this era.

Brittany Schafer:

People live in this new time of lifestyle always try to and must have the spare time or they will get a great deal of stress from both ways of life and work. So, once we ask do people have extra time, we will say absolutely of course. People is human not just a robot. Then we consult again, what kind of activity have you got when the spare time comes to you of course your answer will probably be unlimited right. Then ever try this one, reading guides. It can be your alternative throughout spending your spare time, often the book you have read is usually *Tourism and Borders: Contemporary Issues, Policies and International Research (New Directions in Tourism Analysis)*.

David Murray:

Many people spend their period by playing outside with friends, fun activity using family or just watching TV the entire day. You can have new activity to shell out your whole day by studying a book. Ugh, do you consider reading a book really can be hard because you have to use the book everywhere? It all right you can have the e-book, getting everywhere you want in your mobile phone. Like *Tourism and Borders: Contemporary Issues, Policies and International Research (New Directions in Tourism Analysis)* which is keeping the e-book version. So, try out this book? Let's observe.
