Wisdom, Politics, and Historiography: Tractate Avot in the Context of the Graeco-Roman Near East (Oxford Oriental Monographs) Amram Tropper

In third-century CE Palestine, the leading member of the rabbinic movement put together a highly popular wisdom treatise entitled *Tractate Avot*. Though *Avot* has inspired hundreds of commentaries, this book marks the first comprehensive effort to situate *Avot* within the socio-political and intellectual context of the Graeco-Roman Near East. Probing comparable Jewish, Greek, Roman and Christian sources, Amram Tropper interprets *Avot* in light of the local Jewish context as well as the ambient cultural atmosphere of the contemporary Near East.
