Adopción siglo 21: Leyes y deseos (Spanish Edition) EVA GIBERTI

Eva Giberti es el mayor referente latinoamericano en el tema de la adopción. Desde hace décadas viene allanando este camino. La adopción es un acto de amor y también tiene un lado que puede ser difícil de abordar. El transcurso del tiempo nos desafía con nuevas alternativas. Los cambios en los estilos de vida, la madurez de las preguntas de los niños y su temprana curiosidad acerca de su origen reclaman respuestas y diálogos no previstos para los que muchas veces padres o profesionales no están preparados. Tampoco se otorga suficiente importancia a la discriminación encubierta que suelen padecer los adoptivos y que es preciso desactivar.

La figura de la madre de origen ocupa un lugar significativo para reconocerla y nombrarla como quien eligió desvincularse del hijo o fue obligada a hacerlo. Aparecen entonces temas tabú. Los niños recién adoptados son un sueño hecho realidad, pero también crecen y tiene derecho a saber. Durante la adolescencia este saber se complejiza. La autora se detiene en la historia de personas que no lograron asimilar el pasado de sus hijos adoptivos.

El compromiso y la mirada crítica y profunda de la autora constituyen un aporte fundamental al debate de la adopción en la Argentina.
