Even after the paint dries, there is still one important decision left to the modeller. How to display the finished work? In this new guide, expert modeller Richard Windrow covers all the common and many less common display techniques including dioramas, simple display cases, mirror stands, domes for individual figures, deep 'picture frame' boxes, and even light boxes. In a book crammed with pictures of beautiful models on display, from World War II tanks to modern-day rally cars, it instructs both novice and expert modellers alike on how to take a simple model and display it as a work of art.
