Filosofía para principiantes (Spanish Edition) Rius

Aunque usted no lo crea, la filosofía puede ser muy divertida.

¡Ya está aquí la más amena historia de la filosofía!

En un volumen les pasamos revista a todos los filósofos, desde los presocráticos hasta los más recientes. La filosofía (del griego filos= amor, sophia= sabiduría: Amor a la sabiduría) no es otra cosa que el intento del hombre por saber, por explicarse en uso de la razón, su situación en el universo.

Momentito:

Antes queremos decir algo muy importante sobre el libro...

1º Que éste no es un libro para especialistas, sino para principiantes.

2º Aunque se ha tratado de que el lenguaje usado aquí sea el más sencillo y accesible a todo mundo, recomendamos que se lea con toda calma, tratando de entender el sentido de cada palabra.

3º Abra su mente, no se quede en lo que usted "ya sabe": acepte y razone las cosas, aunque choquen con lo que usted ya crea... (esto va para los que creen en los dogmas, marxistas o de los otros)
