La mente malata: 3 (Studi e ricerche) (Italian Edition) Roberto Benini

Continua la serie di volumi "L'uomo dei bisogni" con un terzo lavoro dedicato alla scoperta delle malattie della mente e delle sofferenze psicologiche che si possono dover affrontare nel corso dell'esistenza. La malattia spaventa l'uomo forse più di qualsiasi altro evento perché ne mette a repentaglio la sicurezza biologica e psicologica e ne intacca il sentimento di onnipotenza e di immortalità. Questo è ancor più vero nel caso delle malattie della mente perché in alcune società il malato è ritenuto responsabile della propria malattia, etichettato come "diverso", folle, immorale, infantile, privo di volontà e, per questo motivo, è allontanato dal contesto familiare e sociale. Un saggio per avvicinare i lettori alla conoscenza delle sofferenze della mente, chiarendone il significato esistenziale e indicando le modalità più corrette per curarle.
