*Spanish for Veterinarians, Second Edition*, is designed to help you rapidly learn working Spanish for clinical conversations. Packed with the practical vocabulary information and conversational tools found in the first edition, the new edition now includes a new chapter on exotics and expanded information on the Spanish required for pre-consultation discussion. The pronunciation exercises, available online as audio files to help veterinary team members effectively and confidently use Spanish in their client communications, have also been revised and expanded. This new edition is a lively presentation of the Spanish that working vets increasingly need to know.
