First Bite (The Dark Wolf Series Book 1) Dani Harper

Geneva “Neva” Ross doesn’t want to die. But now that she’s been turned into a werewolf against her will, she’ll do anything to protect her family and friends...even if that means taking her own life.

After witnessing Neva’s leap from a high ledge, Travis Williamson—a Changeling with a dark past—uses his powers to save her life. He feels a connection to the strong-willed woman whose eyes flash that familiar Changeling green. While Neva is hospitalized, Travis risks everything to kidnap her, knowing the approaching full moon will put everyone in jeopardy.

Bickering constantly to hide their growing attraction, Travis and Neva run from the authorities...and from Neva’s sinister sire, Meredith de la Ronde. Meredith delights in creating new shape-shifters and compelling them to do her dark bidding; now Neva must join Meredith’s murderous wolf pack...or die.

Intensely suspenseful with deliciously sexy twists, this paranormal romance—the first in the Dark Wolf Series—intertwines sensual passion with an epic, thrilling battle between good and evil.
