What starts like a haunted house novel as written by the Marquis de Sade develops into a meta-deconstruction of hardcore horror and why we love sex and violence.

There is something seriously wrong with the house at Sixty-Five Stirrup Iron Road. Its history is awash with sadistic violence and fiendish sex. For generations the house has corrupted its inhabitants. Now Arriane and Chuck have moved in, and the house is ready to hunt once more. But this time the house's occupants won't be the only targets. No one is safe-not the reader, not the authors, and not the horror genre itself...

Nine of the biggest names in horror fiction collaborate on a gore-and-sex-soaked novel with all proceeds benefiting modern master of crime and terror, Tom Piccirilli.
