With the help of her mentor, the Triad-connected Uncle, Ava traces the provenance of the meticulously forged paintings to Denmark, the Faroe Islands, New York, and London. As she infiltrates one of the most prestigious auction houses in the world, she uncovers a massive web of corruption, where high art and high-stakes fraud threaten more than just her client's business—this is one scam that could get her killed. Ava Lee is one of the most scintillating, unique heroines to come along in years.
